

120 MESH

PERFORMANCE

Average profile range 20 -45 μm (0.8-1.6mil)

Blasting rates up to 30m²/hr (323ft²/hr)

Consumption rate from 6kg/m² (1.2lb/ft²)

**HIGH SPEED, PRECISION ABRASIVE,
IDEAL FOR RESTORATION AND
GENTLE CLEANING.**

KEY PRODUCT FEATURES

Engineered particle size distribution for optimal cleaning performance

Low consumption with increased speed, reducing costs and waste

Ideal for restoration work and precision cleaning

Gentle on vulnerable surfaces

PRODUCT APPLICATIONS

High speed, low consumption abrasive

Removal of dirt, graffiti and mil scale

Stainless steel, aluminium and titanium surface preparation

Glass etching

PROPERTIES OF AUSTRALIAN GARNET

HIGH HARDNESS

Tougher grains that increases performance and reduce consumption.

HIGH DENSITY

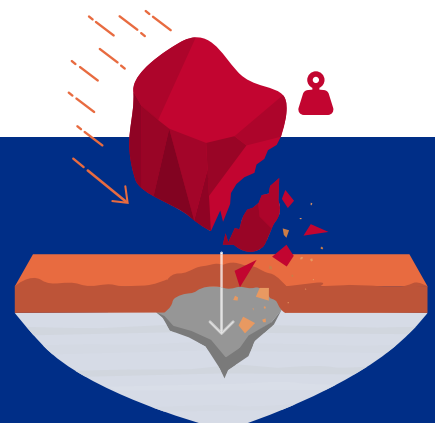

Increased surface impact, creating a deeper more consistent profile

LOW FRIABILITY

Increases recyclability and reduces dust.

SUB ANGULAR

Grains that produce an even profile for increased coating adhesion.

**A SUPERIOR ALLUVIAL GARNET, AUSTRALIAN OWNED
AND SOURCED, THAT CONSISTENTLY OUTPERFORMS
ALTERNATE ABRASIVES.**

PREMIUM ABRASIVE

120 MESH

INDUSTRY APPLICATION

- ARCHITECTURAL RESTORATION
- GRAFFITI REMOVAL
- AUTOMOTIVE
- AEROSPACE
- SOFT METALS
- GLASS

YOUR CHOICE OF GARNET MATTERS MORE THAN YOU THINK. CHOOSE GARNET FROM A PURE SINGLE SOURCE PRODUCTION.

Australian Garnet 120 Mesh premium abrasive is a versatile product, ideal for restoration work and precision blasting. The superior mineral properties of Australian Garnet enable high productivity rates and an exceptional surface finish.

FOUR REASONS TO CHOOSE AUSTRALIAN GARNET

PURITY

Supplied from a single high quality alluvial garnet source, providing consistent high quality and purity.

PRODUCT

Engineered to deliver optimized performance outcomes, meeting international standards and coating specifications.

PROCESS

State-of-the-art wet and dry processing plants produce a premium garnet with low chlorides, low dust and optimal particle sizing through stringent quality control.

PACKAGING

Premium color coded heavy duty packaging for safe handling and transport, and increased storage life.

AUSTRALIAN GARNET'S PROMISE

**RISK REDUCTION
EASIER ON
ASSETS AND
TRANSPORT**

**SUPERIOR
PERFORMANCE
TOUGH AND
ECONOMICAL**

**SAFER
FOR ALL
PEOPLE AND
THE PLANET**

**QUALITY
ASSURANCE
